Hello, I'm Nasor Jana, the staff of the project TH.333. I write for Tae-sor-piw. I write for her and she said "Hello". She let me tell "thank you for the gift". She said that she's glad to join the Program and knows about the words of the Lord. She said "she is in good health". She requested to take a prayer for her education to receive the wisdom of the Lord. She let me tell God Bless You. Thanks with sincerely and loves. Nasor Jana (Tae-sor-piw)

Dear

Hello, thank you very much for your letter and the photo, color picture. My family and I are doing well. How are you and your family? The weather here is cold and hot. During school holiday, I do the house work. I am on school holiday. I like running and read book and like to read the bible. I like when Jesus commands the storm to be still. I attend activities at church for regular. I study the English, life skill and the community develops, I like to cook the food as well. Do you like the cooking? I would like you to pray for my study and for my parent as well. I am very happy to read your letter. Christmas is coming soon. My 3 other friends and I practicing the drama as the dancing, the name of the song is "double love" I am very excited. May God bless you and your family.

Dear

Loving greetings to you in the blessed name of our Lord and Saviour JESUS Christ. Just now I received Birthday Gift. I bought Navy blue and yellow colour dresses. Thank you so much for loving Birthday Gift. Here we are all fine. I thank you too. I joined 5th grade in same school. Sister Trinity is studying 3rd grade. we are going to school together. Now it is rainy season. I like it very much. Because weather is cool and I play paper boats in rainwater.

I am attending to Project regularly I participated in retreat class. I learnt new songs and Bible verses. Specially I learnt about 333 and Soldier I like 333 very much. 33 belongs to Jeremiah chapter 33. 3 belongs to 3rd verse. My friends were also liked 333 I prayed for you all in retreat class. I am learning lot of curriculum activities in my project. Specially I like very much spiritual class. I knew God is invisible and eternal. we know He is always with us even if we can't see Him. my class teacher said that "He will never leave us & forsake us. He loves us so much He wants us to live with Him in heaven forever!"

My family members sending loving greeting to you. Daily we are praying for you please pray for us.
